a better future**

Unlock Your Full Weight Loss Potential

We are excited to join you to begin your weight loss journey. **Zinn Insurance** has partnered with JumpstartRx to offer discounted semaglutide and tirzepitide prescription medication used to manage type 2 diabetes and for weight loss in adults. The process is simple: scan the QR code below, purchase your preferred medication, complete the health intake form to determine eligibility, and, once your prescription is approved, we will ship it directly to you.

Discounted Prescriptions Shipped To You

No hidden fees. No insurance needed. Price includes medication, healthcare provider review of your request for the prescription, 2-day shipping direct to your home, and all supplies and instructions needed to safely administer the dosage weekly at home. And, as you go up on the dose, you continue to pay the same price!

SPECIAL DISCOUNT PRICING FOR GLP-1s

Semaglutide: \$217 (monthly dose)
Tirzepitide: \$317 (monthly dose)
